

This architectural drawing is a detailed section of a building, likely a wall or partition, showing structural details and dimensions. The drawing is oriented vertically, with the top of the page representing the exterior and the bottom representing the interior. The main structure is a wall with a central opening or recessed area. The wall is composed of several layers, with the outermost layer being a brickwork pattern. The inner layers are labeled with material specifications: Nr3, Nr4, Nr5, Nr6, Nr7, and Nr8. The central opening is defined by a horizontal line labeled Nr4. The drawing includes numerous dimensions in millimeters (mm) and centimeters (cm), such as 1200, 900, 210, 100, 1400, 2660, 800, 880, 150, 235, 20, 50, 245, 10, and 2. The drawing also shows various structural details, including reinforcement bars (labeled bl3. and bl4.), joints, and fasteners. The drawing is a technical drawing, showing the internal structure and details of the building. The drawing is a technical drawing, showing the internal structure and details of the building. The drawing is a technical drawing, showing the internal structure and details of the building.

UWAGA: Przed przystąpieniem do realizacji obiektu lub jego części,

Wszystkie wymiary, poziomy, przebiega elementów
betonowych muszą zostać przez wykonawcę
sprawdzone i porównane z rysunkami architektury.
Nieznacności muszą zostać wyjaśnione przez
kierownictwo budowy z uprawnionymi projektantami.
